Additional Information:

Conditions for the supply of electricity and maintenance during exhibition/ fair

1. The prices contained in this schedule include the hire of all wiring, lamps and fittings
2. All queries regarding electrical orders must be brought to the attention of a representative of LX Exhibition & Event Services Ltd before the end of the exhibition. No refunds will be given for queries raised after the exhibition
3. Lighting circuits, serving more than one fitting, shall not carry more than 1000W and all sections of the wiring system shall be capable of carrying its circuit full load current
4. LX Exhibitions & Event Services Ltd have been appointed official electrical contractors and all electrical work will be executed by them. The installation of electrical work by any persons other than the official contractors is expressly prohibited. No person other than a member of contractors staff may alter or otherwise interfere with the installations
5. An Exhibitor requiring electrical power or electrical light fittings not listed in the schedule should send their requirements to LX Exhibitions & Event Services Ltd who will provide an estimate. An order detailing the special work, including the cost quoted, should then be forwarded together with a plan and payment for the total value of the order, to LX Exhibition & Event Services Ltd as soon as possible
6. If the electrical equipment ordered overleaf is to be fitted in a special position on the stand the above sketch plan must be completed, otherwise we will position at our discretion. If after installation fittings have to be altered or moved it may be at an extra charge to the exhibitor. It must be clearly understood however, that in no circumstances may exhibitors install or interfere with any electrical installation
7. It must be clearly understood that the electrical contractors, their agents, servants, or sub-contractors cannot be held responsible for failure to supply current, fittings or other items ordered if the stand or other contractors have not completed their work so that the electrical services ordered may be installed and that payment in full for such fittings installed, even if late, must be paid by the exhibitor
8. LX Exhibition & Event Services Ltd accept no liability for the loss or failure to supply electricity in the event of a power failure, or as the result of any electrical dispute. In the event of such a power failure, no monies paid for the hire of any electrical fittings can be refunded
9. LX Exhibition & Event Services Ltd cannot accept any responsibility for any damage howsoever caused to exhibitors equipment connected to the circuits installed by them. LX Exhibition & Event Services Ltd reserve the right to disconnect any equipment that they feel is either dangerous or in faulty condition or liable to cause danger or installed without their authority or consent connected to or ancillary to any equipment installed or maintained by them
